MEMBERSHIP RENEWAL TIME and NEW MEMBERS NEEDED

Thanks to all those who followed up on the recent Member Renewal and Fund Raising Drive mailout. We hope that it will be 100 percent successful. If, for some reason, you didn't receive the mailout please contact Joyce Hatchett at 918-639-8093.

Since we no longer have an 'in-house' tech crew who can tune and repair we are using our Savings Account to pay a professional organ company for those needs. And our 'long term' goals include getting our organ in 'professional performance' condition which will cost a lot. We are actively pursuing information on Grants for funding.

The Sooner State Chapter of the American Theatre Organ Society is a non-profit corporation under IRS code 501 (c)(3) for the purpose of promoting America's Theatre Organ heritage. Annual membership dues and all donations are used to provide programs and maintain our 1928 Robert Morton theatre pipe organ.
