"Popular and Patriotic Songs That Will Live Forever"

Our July program promises to be another evening of enjoyable musical entertainment! You'll hear a lot of good music played on our "almost one hundred year old" theatre pipe organ as well as our vintage piano by our regular chapter members. PLUS for this program we have <u>two special guests</u> from the Tulsa Chapter of the American Guild of Organists (AGO):

<u>Evan Anderson</u>, joined the Boston Avenue First United Methodist Church Staff in 2023. Previously, he was employed as Associate Director of Music at Trinity English Lutheran Church in Fort Wayne, Indiana. He graduated with a Bachelor of Music in Sacred Music Degree from St Olaf College in Minnesota.

<u>Bruce Wilkin</u>, organist at Tulsa First Baptist Church for the past 40+ years and is a dual member of Tulsa AGO and SSC/ATOS. His music/organ degree is from ORU. He directs the FBC Handbell Choir, accompanies the Adult and Youth choirs besides being employed by Sapulpa High School as Vocal Music Accompanist.

Tell your friends about this program and bring your family for an enjoyable evening of good music!

The **American Theatre Organ Society Annual Convention** will be held in **Milwaukee July 21 - 27, 2025.** They are celebrating 100 years of theatre organs in Wisconsin. We're happy to report that three of our Chapter's members will get to attend. They are **Logan Davis, Mike Huffman** and **Dave Steensland.** They will get to hear theatre pipe organs at several different venues played by the best organists on instruments that are in tip-top playing condition. It's exciting, educational and pure joy to experience an ATOS Annual Convention!!!!!

Thank you ….. to members and friends who attended our June program and to those who placed $203 in our Donation Basket at the entry table. This helps us with the expense of keeping our instruments playing!
