"College," a 1927 silent film starring **Buster Keaton,** Anne Cornwell and Harold Goodwin

School Days have started making it the perfect time to show this hilarious film. It is a classic example of Keaton's innovative film-making style and timing. **And** we're so pleased to have our friend **Dennis Scott** back to play the accompaniment on our three manual Robert Morton theatre pipe organ.

Dennis lives in Chicago and has been house organist at the Music Box Theater for many years. He grew up in Tulsa and visits often. So, we're thrilled to have him play for us again!
